

## **Extension of the deadline for submission of abstracts and articles**

### INFORMATION LETTER

Heads of universities, research institutes  
Heads of medical institutions  
Pharmaceutical production managers

*Dear colleagues!*

Samarkand State Medical Institute announces a successful scientific and practical conference "Innovative technologies in healthcare: new opportunities for internal medicine", which will be held on April 22, 2022, in the city of Samarkand. The purpose of the conference is to introduce the experience and knowledge of European medical communities, the current academic program, useful in the practice of therapists and general practitioners, as well as specialists in the field of cardiology, gastroenterology, pulmonology, neurology, rheumatology, nephrology, endocrinology, hematology, etc.

#### **Conference organizers:**

- Samarkand State Medical Institute
- Ministry of Health of the Republic of Uzbekistan
- Higher and secondary specialized education of the Republic of Uzbekistan
- Association of Therapists of the Republic of Uzbekistan

#### **Program issues:**

- Outpatient medicine/Organization and quality of medical care
- Cardiovascular diseases
- Endocrine and metabolic diseases
- Hematological diseases
- Diseases of the gastrointestinal tract and liver
- Geriatrics and multimorbidity
- Kidney disease
- Rheumatological and immune-mediated diseases
- Emergency medical care
- Respiratory diseases

**Official language of the conference:** *Uzbek, Russian, English.*

**The format of the conference** is hybrid (offline platform and online platform of the event).

#### **Possible forms of participation:**

1. Publication of materials
2. Presentation of a report / publication of materials
3. Participation as a delegate (exactly and online)

The materials of the scientific and practical conference are published in a peer-reviewed journal, included in the list of publications recommended for the publication of scientific results, the Higher Attestation Commission of the Republic of Uzbekistan "Journal of Cardiorespiratory Research" (in a special issue of a scientific publication) for free.

**To participate, please fill out the registration form attached to this information letter.**

#### **APPENDIX TO THE INFORMATION LETTER**

(on two sheets)

## Submission Rules

Articles, abstracts of reports drawn up in accordance with the requirements, as well as an application for participation in the conference must be sent to the Conference Organizing Committee by [conf.vnutren.bolez@mail.ru](mailto:conf.vnutren.bolez@mail.ru)

Please send the application and abstracts in one letter with attached files (in Word format - the name of the first author, for example: "Petrov.application.doc", "Petrov.thesis.doc"). The subject line is "Conference". All works are checked for plagiarism. Submitted materials will be rejected by the Editorial Board in case of non-compliance with the security for registration.

**Please, pay attention to the fact that the deadline for submitting a scientific work (article, abstract) and applications for participation is being extended until April 1, 2022, due to numerous requests**
